

REMARKS

Claims 1-30 have been cancelled without prejudice. Claims 31-43, newly presented herein, are now pending in this application. New claims 31-43 cover compounds which were disclosed in the priority application and thus are fully supported by Applicants' disclosure and introduce no new matter. It is respectfully requested that the above preliminary amendment be entered; that this application be considered in view of the above and that all of the claims remaining in this application be allowed.

CONCLUSION

If the Examiner finds that a telephone conference would expedite the prosecution of this application, the Examiner is invited to telephone the undersigned at the number provided.

Respectfully submitted,
